

Please follow the steps below to complete your registration and certification for **Aetna and SilverScript Individual Medicare products**.

Step 1: Log In

Go to: <http://aetna.cmpsystem.com>

On the login page, you will see a screen similar to the one shown below. Since you are not a direct employee of Aetna, please select:

"Continue without code"

User ID Number

Aetna Employees: Please provide your A-Number or N-Number, then click Continue with Code.

Access Code Users: Please provide your Aetna certification access code, then click Continue with Code.

Employee ID

All other users, please leave the above field empty and click "Continue Without Code"

Step 2: Update Your Profile

You'll be prompted to review and update your profile information.

- ✓ Verify all fields are correct.
 - ✓ Click **"Update Profile"** at the bottom once completed.
-

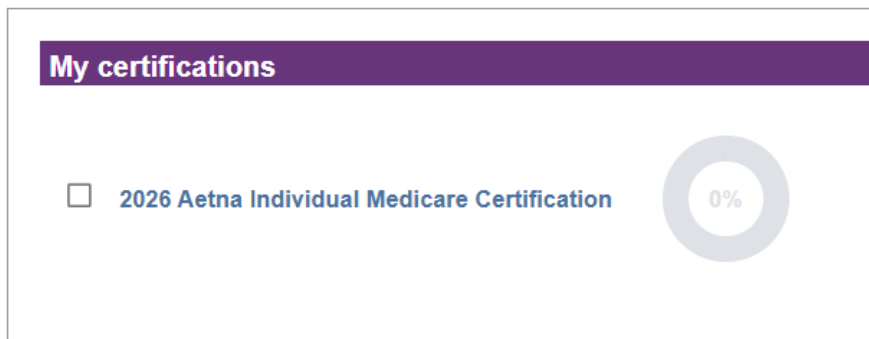

✓ Certification Options

Aetna offers an **alternative to AHIP Medicare training** for brokers and agents only selling **Aetna and SilverScript Individual Medicare products**:

- Includes **7 training modules** covering CMS-required topics and may be an alternative to the AHIP Medicare Training
 - **Free of charge** for Aetna/SilverScript certification
 - **Not CE credit eligible** (AHIP is required for CE credits)
 - **Not transferable** to other carriers
-

⚙️ What to Do Next:

- Select "**2026 Aetna Individual Medicare Certification**"

The screenshot shows a section titled "My certifications" with a purple header. Below the header, there is a checkbox next to the text "2026 Aetna Individual Medicare Certification". To the right of the checkbox is a circular progress indicator showing "0%".

- If you've already completed AHIP, a ✓ green checkmark will appear next to it. You can proceed to:
➡ "**2026 Individual Core Medicare Requirements**"
 - If you're **not completing AHIP**, choose **Option 2** to take the **Aetna AHIP Alternative**
-
